Third Avenue Village Association
Chula Vista, California

Independent Auditor's Report

We have audited the accompanying financial Statements of Third Avenue Village Association (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Third Avenue Village Association as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

THIRD AVENUE VILLAGE ASSOCIATION
Notes to Financial Statements
June 30, 2016

Note 1. ORGANIZATION

Third Avenue Village Association (“the Association”) is a California not-for-profit public benefit corporation. The Association was established to:

- a. Enhance and promote the economic interest of Downtown Chula Vista as the center for cultural, civic, and social activities.
- b. Encourage, stimulate, and improve the business conditions in Downtown Chula Vista for retailers, restaurants, entertainment establishments, service businesses and professionals, and to promote retail and other commercial activities in the area.
- c. Improve and preserve the appearance through enhanced maintenance activities, such as graffiti removal, power washing of sidewalks and landscaping.
- d. Organize and operate programs, events, and festivals for the promotion and betterment of business in Downtown Chula Vista.
- e. Promote a positive identity for the area through advertising and public relations programs and the sponsorship of public events, promotions, and festivals.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Association have been prepared on the accrual basis of accounting whereby revenues are recognized when earned and expenses are recognized when incurred.

Basis of Presentation

Financial statement presentation follows the recommendation of the FASB Accounting Standards Codification 958 *Financial Statements of Not-for-Profit Organizations*. The Association is required to report its financial position and activities according to three classes of net assets:

Unrestricted – Include those assets over which the Board of Directors has discretionary control in carrying out the operations of the Association. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Temporarily Restricted – Include those assets subject to restrictions on their use that can be fulfilled either by actions of the Association pursuant to those restrictions or the passage of time.

Permanently Restricted – Include those assets subject to donor-imposed or other legal restrictions requiring that the principal be maintained permanently by the Association. Generally, the donors permit the Association to use all or part of the income earned for either general or donor-specified purposes. No permanently restricted assets were held during the current fiscal year. Accordingly, these financial statements do not reflect any activity related to this class of net assets.

Income Taxes

The Association, a not-for-profit organization operating under Section 501(c)(6) of the Internal Revenue Code and Section 23701(d) of the California Revenue Taxation Code, is exempt from federal, state, and local income taxes. Accordingly, no provision for income taxes is included in the financial statements.

The Association's Form 990, *Return of Organization Exempt from Income Tax*, for the years ending 2013, 2014, and 2015 are subject to examination by the IRS, generally for three years after they were filed.

Property and Equipment

Property and equipment are stated at cost. Depreciation is computed under the straight line method, with estimated useful lives ranging from five to fifteen years.

Automobile	5 years
Equipment	5 years
Furniture	7-15 years

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. This will affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. However, management believes that differences, if any, would not be significant.

Advertising Costs

The Association expenses advertising and communication costs as they are incurred.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Association.

Note 3. PROPERTY BUSINESS IMPROVEMENT DISTRICT FUNDS (PBID)

The Downtown Chula Vista Property Based Improvement District (PBID) is a special benefit assessment district that conveys special benefits to the properties located within the district boundaries. The PBID is funded by an assessment levied on the property owners located within the district. The assessment is calculated using acreage and street frontage.

The Association provides and contracts services to allow the PBID to carry out its nature of activities related to the marketing and maintenance of Downtown Chula Vista, including cleaning, safety and information, and enhancing the image of Downtown Chula Vista. The PBID was established in 2001 and renewed in June 2016 for the next ten years: from January 1, 2017 to December 31, 2026.

For the fiscal year ended June 30, 2016, the Association recognized PBID revenue of \$452,762.

Note 4. BUSINESS IMPROVEMENT DISTRICT FUNDS (BID)

The Business Improvement District (BID) was established in 1971 to promote events and retail trade in addition to decorating and furnishing music in public places in Downtown Chula Vista. The Association provides such services on behalf of business owners located in the BID. The City of Chula Vista collects an additional amount from each business owner at the same time it levies the annual business license. The additional amount imposed by the BID varies depending on the type of business.

The Association requests reimbursement for qualified expenses incurred to the extent there is a balance on hand in the BID account held by the City of Chula Vista. For the fiscal year ended June 30, 2016, the Association recognized BID revenue of \$20,507.
