## 8. Indemnification

- a) Agency agrees to exercise its best judgment in the preparation and placing of all advertising and publicity for Clients with a view to avoiding any claims, proceedings or suits beings made or instituted against Agency or Client. It is mutually agreed, however, that Client will indemnify and defend Agency against any loss Agency may incur as the result of any claim, suit, or proceedings made or brought against Agency based on any advertising or publicity which Agency prepared for Client based on information provided by Client, and which Client approved prior to publication or broadcast. Client will indemnify and defend Agency against any loss Agency may incur as a result of any such claim, suit or proceeding made or brought against Agency based upon (i) information Client provides Agency and which Client approves in writing before its publication (or broadcast) unless due to Agency's negligence; and (ii) any advertising element which is furnished by Client to Agency and which allegedly violates the personal or property rights of any other party. If any action or proceeding is brought against Agency by reason of any such claims, Client, upon notice from Agency shall defend such action or proceeding at Client's sole cost by counsel reasonably satisfactory to Agency. The foregoing indemnity shall be a payment obligation and not merely a reimbursement obligation, it being understood that Client and Agency have a "contrary intention" with respect to the provisions of paragraph 2 of Section 2778 of the California Civil Code

## 9. General Provisions

- a) The Agency will devote its best efforts to furthering the Client's interests and to making the Client's programs successful. The Client will aid the Agency in doing so by making available to the Agency all needed information and materials pertaining to the Client's products and services and by cooperating with the Agency as necessary.
- b) The Agency can't and will not be held accountable for any claims made by the client.
- c) Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing between the parties hereto with respect to the terms and conditions of this Agreement, and contains all of the covenants and agreements between the parties with respect to same. Each party to this Agreement acknowledges that no representation, inducements, promises, or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that no other agreement, statement, or promise not contained in this Agreement shall be valid or binding on either party, except that any other written agreement dated concurrent with or after this Agreement shall be valid as between the signing parties thereto.
- d) No Waiver. The failure of either party to insist on strict compliance with any of the terms, covenants or conditions of this Agreement by the other party shall not be deemed a waiver of that term, covenant or condition, nor shall any waiver or relinquishment of any right or power at any one time or times be deemed a waiver or relinquishment of that right or power for all or any other times under this Agreement.
- e) Severability. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way.
- f) All notices hereunder must be in writing and sent to the address of each party indicated on the signature page to this Agreement. Should either party have a change of address, the other party shall immediately be notified of such a change in writing.
- g) This Agreement may not be amended or modified except by a written Change Order signed by each of the parties hereto.
- h) This Agreement shall be governed by and construed in accordance with the laws of the State of California.
- i) Except as set forth in this Agreement, no statement or promise has been made by the Agency on behalf of or by any employee or representative thereof. This Agreement constitutes the entire agreement of the parties with respect to the subject matter set forth herein, and supersedes all

prior agreements and understanding, both written and oral, between the parties with respect to the subject matter hereof.
